Introduction to IMPART Educational Material

im part (v.): *to bestow sacred knowledge upon*

Welcome to the IMPART family! Whether you are just starting out on your metaphysical journey or you would like to explore a specific topic or skill in more depth, the staff at IMPART is here to provide you with information, training, and support as you develop your abilities to connect with Spirit.

It is very likely you have questions, and we hope to provide you with the answers! Just a few of the questions you might be asking yourself include:

- How do I know if I'm psychic, a medium, and/or a healer?
- How do I learn how to connect with God/Source/Spirit, my guides, angels, archangels, ascended masters (e.g., Jesus, Mother Mary, Buddha), and/or deceased loved ones?
- How do I use a specific divination tool (e.g., cards, runes)?
- How do I learn how to be a healer?
- How can I use my abilities to help others?

To address your questions, we have created a series of educational products (e.g., ebooks, audio recordings) that are designed to meet the following standards:

- **Organized:** We always endeavor to provide a detailed Index and/or Table of Contents that will help you find the information that you need.
- **Clearly Communicated:** We always strive to make complex information as understandable as possible. Additionally, we do our best to stay away from obscure words or convoluted wording. We do not believe that a dictionary should be required when reading IMPART material.
- **Concise:** We, here at IMPART, understand that most of you are trying to fit your metaphysical studies around jobs, relationships, families, and various other responsibilities. Therefore, we do our best to provide you with information that is accurate, thorough, and concise.
- **Helpful to Beginners (as well as those who are more advanced):** We all were new to specific topics at one time, and we always strive to create educational materials that would have been helpful to us when we first started out. We want to provide you with a good foundation for each of the topics in our educational series.

IMPART's overall goal is to provide you with high quality training programs and educational material that will help you whether you are brand new to the field of metaphysics or you are more experienced but want to learn more about a specific topic. Through the use of these products and on-going support, our goal for you is to . . .

- Develop a wonderful new sense of confidence in your ability to connect with Spirit/Source/God through the development of a set of tools and skills that will allow you to have access to spiritual guidance and support on a daily basis.
- Connect with like-minded others that provide a support system through IMPART classes and workshops. You never need to feel alone on your spiritual journey. We are here for you!
- Feel exhilarated by your deepening connection with God/Source/Spirit.
- Feel significantly better about all areas of your life, including your health, relationships, work satisfaction, and emotional well-being.
- Experience a new sense of peace and well-being about your day-to-day life.

Important Note About the Definitions in this Publication

This manual was developed in response to the questions that are commonly asked by my students. The definitions included in this publication are based on (a) my experience both on the Earth plane (i.e., reading, learning) and (b) my communication with those on the other side.

However, from the outset, I wish to acknowledge that definitions other than those included in this document do exist. As my students hear me say all the time, if something that you read here doesn't feel right, please feel free to search for a definition that feels right to you!

Definitions of Terms (Alphabetical Order)

A

Akashic Records

The location/building within the spiritual world that is believed to contain all of the information about each soul's life purpose, both for this lifetime and past lifetimes. (AKA: Hall of Records)

Angel Cards

There are several versions of angel cards available (e.g., Doreen Virtue offers several sets). All of them depict pictures of angels and/or archangels and provide a corresponding message. They can be used for readings and guidance in much the same way that tarot cards or runes can be used.

Angel Lights

Small flashes of bright light. They represent the presence of a spiritual entity (e.g., angels, deceased loved ones). The entity can have a message or may simply be making its presence known for purposes of reassurance and support.

Angels

Angels are God's messengers and helpers. They bring thoughts of love from God and are sent to help us feel peace and joy. There are believed to be billions of angels who are simply waiting for us to ask for their assistance. Due to "The Law of Free Will," they cannot help us unless we ask (or if it's a life threatening situation and it's not our time).

Animal Guides

See Animal Totems.

Animal Totems

Animal guides or spirits who serve many of the same purposes commonly associated with Spirit Guides (see later definition). The typical characteristics of the animal (e.g., owls are wise, wolves are protective) are often associated with the personality characteristics of the person with that animal guide. (AKA: Animal Guide)

Apparition

See Ghost.
